

WHAT'S NEW IN UPK 3.1.7

GENERAL CHANGES

Verified support for Vista SP1.

Added support for PDF output for Office 2007. NOTE: Office 2007 PDF output requires the Microsoft "Save as PDF" add-on. It does not require Adobe Acrobat to be installed.

JD EDWARDS ENTERPRISEONE CHANGES

Added support for tools version 8.98 on application version 9.0.

SIEBEL CHANGES

Added support for Siebel 7.8.2.9 and 8.0.0.4.
